**I. Presentation of the City of Carlin's Tentative Budget for Fiscal Year 2012/2013.
(Non-Action Item)**

1. City Manager Glenn Trust reported you have in front of you the budget that was approved by the City Council and submitted to the State as the Tentative Budget at our April 11, 2012, meeting. There have been no financial changes except a couple of editorial ones that I had to make to comply with the State. I had left out the Ambulance fund which had been closed by a transfer out of the Ambulance fund at the same time showing activity, other than that there were no changes. On the cover sheet you will see the budget contains 1 fund, including Debt Service, requiring property tax revenues totaling \$312,789. The property tax rates computed herein are based on preliminary data. If the final state computed revenue limitation permits, the tax rate will be increased by an amount not to exceed 0 percent. If the final computation requires, the tax rate will be lowered. The budget contains 12 governmental fund types with estimated expenditures of \$2,976,699 and 1 proprietary fund which is the utility fund with estimated expenses of \$956,780.
